Department Headquarters has been notified that:

Past Department President Ruth Haldeman has been having a lot of health issues and most recently is suffering with shingles.

We would like to cheer her up with some messages of warm wishes and prayers. Her eye sight has been effected – so large, clear print will make it easier for her to enjoy.

Cards of cheer and well wishes can be sent to:

Mrs. Ruth Haldeman
277 Larryville Road
Jersey Shore, PA 17740

Let's keep Ruth in your thoughts and prayers.
