Date: February 21, 2021

To: PA Auxiliary Brothers & Sisters

Our Department VFW Auxiliary Senior Vice President Pam Sopher had a nasty fall while in route to the National Mid-Winter Conference. She underwent surgery on her left leg yesterday. A second surgery to complete the repair will be scheduled in a few days. She is resting comfortably and in good spirits at Allegheny General Hospital, Pittsburgh.

May we shower Pam with healing thoughts and prayers during this very scary experience.

Cards of cheer and warm wishes may be sent to her:

Mrs. Pam Sopher

Please keep Pam and her family in your thoughts and prayers.
