

# Memo

Date: May 1, 2019

To: Line Officers  
District Presidents  
Past Department Presidents  
Department Chairmen  
Floor Appointments

Past Department President Beatrice Laughman underwent open heart surgery today. She had a mitral valve replacement and may possibly receive a pacemaker. Sharon has reported that the surgery went very well and that she should be out of ICU in a day or so. However, a several month recuperation is expected.

Please **NO Visits** at this time. All her strength is needed for healing. Your prayers and cards of encouragement and well wishes will really help and is all that is requested until she is feeling stronger.

They may be sent to:  
Mrs. Beatrice Laughman  
8A SummerBridge Drive  
Carlisle, PA 17015

Please keep Bea, Harry and their family in your thoughts and prayers as she continues to mend.
