

Memo

Date: March 23, 2020

To: VFW Auxiliary Brothers & Sisters

Darrin Haldeman, son of Past Department President Ruth Haldeman has gone to his heavenly home. Darrin has battled declining health for many years. Ruth and Darrin took care of each other for many, many years until Ruth finally for health reason moved to Manor Care.

Of course due to our present quarantine situation Ruth is not able to personally say her final good-byes.

Please keep Ruth in your thoughts and prayers at this very sad time.

Cards of sympathy and strength may be sent to:
